Signature Plus

£99.99

An all-purpose line with improved ease of casting and presentation whilst maintaining the shoot and roll casting ability of the Triangle Taper. To accommodate the stiffer action of modern rods the line weight is 1/2 a weight heavier than the Classic.

This line has a colour change behind the head to make casting more intuitive.

Premium Plus Textured

£119.99

Introducing the new Triangle Taper Premium Plus Textured freshwater lines. These textured fly lines offer numerous benefits including:

- Less friction in the guides due to less surface area
- Less drag
- Easier pick-up due to less surface area on the water
- Low line memory

Premium Plus Textured lines are tri-colour with two textures and welded loops to both ends.

Triangle Taper Short

£79.99

With a quick-loading head, this brilliant yellow floating line signals every twitch, pause and stop, giving you a better chance to hook-up with delicately feeding fish.

Tip may be cut back if you use larger, heavier nymphs.

Midstream

£49.99

The Midstream is “No Frills” triangle taper. Eschewing the modern niceties of welded loops and ID tags allows us to present the classic profile at lower cost.

Ambush Clear Head

£99.99

The Ambush Clear Head adds a new dimension to Ambush lines - stealth.

Now a fly fisherman can enjoy all the roll casting, Spey, Skagit, switch and Scandi style casting advantages of the Ambush floating fly line with the added benefit of a clear, 20' intermediate sinking head.

Bermuda Triangle Taper Two Tone

£99.99

We have combined Joan's innovative colour coding system for easier loading and casting with the Bermuda Triangle Taper to create a great tropical line.

Built around a 16 strand, braided, monofilament core to withstand the wilting heat of tropical flats and blistering decks, this line will continue to cast like a rocket when others have folded up.

Bermuda Shorts

£99.99

The Bermuda Shorts Triangle Taper features a short 21'-30' head, marked by Royal Wulff's unique 2-tone colour system.

The Bermuda Shorts lets you blast with a single backcast. It's the fast-loading tropical fly line for lightning speed delivery.

Accessories

Wristlok

An ingeniously simple device to improve casting ability. Prevents the caster from applying too much wrist on the backward stroke. One of the tried and true casting tools used for years in the Wulff school of fly fishing, the Wristlok helps casters develop the proper “feel” of the cast. A truly helpful tool for beginners (and old dogs!)

Lee Wulff Fly Line Dressing

Go the distance with an application of our line dressing. Works with all fly lines, drying to a hard, slick finish that won't accumulate debris. Perfect for pre- and post-season clean-ups, and on the water for enhanced casting performance. Saltwater anglers keep their lines shooting freely and salt-free with regular dressings.
